

Ride Coordinator Role Description

The role of the Ride Coordinator is to identify and publish a program of rides on behalf of the President.

The Ride Coordinator should:

- Ensure a variety of rides including day, overnight and long weekend events.
- Identify dates for the annual Khancoban, Harrietville and Bevels to the Bay rides.
- Liaise with other Desmo Owners Clubs and Ducati clubs to identify events that overlap or could be coordinated.
- Present the proposed ride calendar to the committee for approval.
- Publish the approved ride calendar at least once per month.
- Ensure rides and events are reported in the monthly newsletter and published on the CDDC Desmo Owners Club and domestic websites.
- Use the DCO and/or domestic email service to generate reminders to Club members of upcoming rides.
- Arrange a Ride Leader for each ride.
- Arrange appropriate support for overnight and long weekend rides.
- Organise for delivery of the First Aid kit to the Ride Leader.
- Ensure a ride report is delivered to the Editor.
